- You reach this page when you click on the conference name at previous phase. You can reach various functions related to the conference through this page.

The screenshot shows the Microsoft CMT3 Author Console interface. At the top, there is a navigation bar with the following elements: "Submissions" (highlighted), "Select Your Role : Author", "DTAK2017", and "Engin Bayraktaroğlu". Below this is the "Author Console" header. A blue bar contains a "+ Create new submission" button and a search input field labeled "type to filter...". Below the search bar is a table with columns for "Paper ID", "Title", "Files", and "Actions".

Five callout boxes provide instructions:

- You can click on the button "Create new submission" for paper submission.
- You can use this link to shift between your roles in a conference (e.g. author – reviewer).
- You can shift between the conferences you registered through system.
- You can view and change your account information through this link.
- Also you can find your paper status through this page.

A red box with the text "5th Phase" is overlaid on the right side of the interface.

At the bottom of the page, there is a footer with the text: "© 2015 Microsoft Corporation About CMT | Terms of Use | Privacy Statement" and "CMT Support".

- You reach to this page when you click on the link “Create new submission” at previous phase.
